This stunning successor to Quimet's debut, *I Go Quiet*, follows a girl learning to express

herself and connect with others. When I am swept into the light of life, I get loud. A girl finds her voice and befriends a stranger, who becomes her closest companion. They speak and sing and laugh, their friendship weathering darkness and light, stormy seas and calm waters. Then, embarking on an uncertain journey to a new land with thousands of others, they become separated. The girl worries that her voice alone is too quiet to find her friend and make herself known—but it's their voices that lead them back to each other, and that preserve their pasts and pave their future in a new home. The companion to David Quimet's acclaimed debut, *I Go Quiet, I Get Loud* is a poetic and arresting fable about the power of expression and human connection in the face of change.

Hailed as the "patron saint of farmers' markets" by the Guardian and called one of the "great food activists" by Vanity Fair's David Kamp, Nina Planck was on the vanguard of the real food movement, and her first book remains a vital and original contribution to the hot debate about what to eat and why. In lively, personal chapters on produce, dairy, meat, fish, chocolate, and other real foods, Nina explains how ancient foods like beef and butter have been falsely accused, while industrial foods like

corn syrup and soybean oil have created a triple epidemic of obesity, diabetes, and heart disease. The New York Times said that *Real Food* "poses a convincing alternative to the prevailing dietary guidelines, even those treated as gospel." A rebuttal to dietary fads and a clarion call for the return to old-fashioned foods, *Real Food* no longer seems radical, if only because the conversation has caught up to Nina Planck. Indeed, it has become gospel in its own right. This special tenth-anniversary edition includes a foreword by Nina Teicholz (*The Big Fat Surprise*) and a new introduction from the author.

Journal Paper Zondervan All hell breaks loose when Detective Storm van der Merwe's mom is pushed under a train at

Paddington Station. Storm must rush to London, even though she's in the middle of a murder investigation: leading South African fashion designer Beebee Bukelwa Babu was found dead in a luxury Hermanus hotel. Drumming up a team to investigate Beebee's death is proving difficult in a town crippled by protest action and in the grip of a menacing charismatic prophet firing up crowds to hysteria. Storm soon realises that her mom was a deliberate target. And she is one too. Meanwhile Storm's former colleague, the bumbling Andreas Moerdyk, now a PI, is doing his best to locate a missing and very valuable red diamond. From the murky streets of London to the diamond bourse in Antwerp, from secluded Port Nolloth to Storm's beloved Hermanus, Irna van Zyl's third crime novel unfolds at a heart-stopping pace. The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting

path into his own motivations—a search for the truth that threatens to consume him....

A thought-provoking journey of companionship, courage, tenderness, and tea. Big Panda and Tiny Dragon embark on a journey through the seasons of the year together. They get lost, as many of us do. But while lost, they discover many beautiful sights they'd never have found had they gone the right way. Told through a series of beautiful drawings and quiet, sometimes silly, conversations, the panda and the dragon explore

the thoughts and emotions, hardships and happiness that connect us all. In nature, they learn how to live in the moment, how to be at peace with uncertainty, and how to find the strength to overcome life's obstacles together. Inspired by Buddhist philosophy and spirituality, British author and artist James Norbury created the adventures of Big Panda and Tiny Dragon to share ideas that have helped him through difficult times.
