NEW YORK TIMES BESTSELLER • SPECIAL ILLUSTRATED EDITION
WITH EXCLUSIVE NEW MATERIALS "Enough to seriously challenge many traditional beliefs, if not alter them."—Los Angeles Times Book Review Explosive, thought-provoking, fiercely compelling, Holy Blood, Holy Grail breaks bold new ground with its shocking conclusions about the lineage of Christ and the legacy of the Holy Grail. Now this lavishly illustrated collector's edition features exclusive new material plus dozens of photographs, drawings, symbols, architecture, and artwork, making it a dazzling feast for the eyes as well as the mind. Based on decades of research, filled with eye-opening new evidence and stunning scholarship, this authoritative work uncovers an alternate history as shocking as it is believable—as it dares to ask: Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a father, and that his bloodline still exists? • Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets in Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible—they are probably true. So revolutionary, so original, so convincing, the most faithful Christians will be moved; here is the book that has sparked worldwide controversy, now newly updated and beautifully illustrated.

The Acts of the Apostles AuthorHouse

In 1665, Sabbetai Zevi, a self-proclaimed Messiah with a mass following throughout the Ottoman Empire and Europe, announced that the redemption of the world was at hand. As Jews everywhere rejected the traditional laws of Judaism in favor of new norms established by Sabbetai Zevi, and abandoned reason for the ecstasy of messianic enthusiasm, one man watched in horror. Dissident Rabbi tells the story of Jacob Sasportas, the

Sephardic rabbi who alone challenged Sabbetai Zevi's improbable claims and warned his fellow Jews that their Messiah was not the answer to their prayers. Yaacob Dweck's absorbing and richly detailed biography brings to life the tumultuous century in which Sasportas lived, an age torn apart by war, migration, and famine. He describes the messianic frenzy that gripped the Jewish Diaspora, and Sasportas's attempts to make sense of a world that Sabbetai Zevi claimed was ending. As Jews danced in the streets, Sasportas compiled *The Fading Flower of the Zevi*, a meticulous and eloquent record of Sabbatianism as it happened. In 1666, barely a year after Sabbetai Zevi heralded the redemption, the Messiah converted to Islam at the behest of the Ottoman sultan, and Sasportas's book slipped into obscurity. *Dissident Rabbi* is the revelatory account of a spiritual leader who dared to articulate the value of rabbinic doubt in the face of messianic certainty, and a revealing examination of how his life and legacy were rediscovered and appropriated by later generations of Jewish thinkers.

The Messianic Legacy Simon and Schuster

Holy Blood, Holy Grail rocked the very foundations of Christianity. Now four more years of research have uncovered shocking material — and its earthshaking consequences. • What extraordinary meaning lies behind Jesus' title — "King of the Jews"? • Was there more than one Christ? • Who really constituted Jesus' following — and what were the real identities of Simon Peter and Judas Iscariot? • Who now has the ancient treasure of the Temple of Jerusalem? • What is the true source of today's Christian "Fundamentalism"? • What links the Vatican, the CIA, the KGB, the Mafia, Freemasonry, and the Knights Templar? • What is the stunning goal of the European secret society that traces its lineage back to Christ and the House of David? *The Messianic Legacy*. Here is the book that reveals the answers to these intriguing, potentially explosive questions. Utilizing the same meticulous research that catapulted their first book onto the best seller lists, the authors again bring an enlightening message of truth — and urgent importance — to Christians and non-Christians the world over.

The Messianic Legacy Random House (UK)

The sequel to the best-seller *Holy Blood, Holy Grail* continues to

elaborate upon controversial theories regarding the identity of Jesus and the origins and spread of Christianity and assess the differences between early theology and what is called Christianity today.

Are You the One Who Is to Come? Harper Collins

Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a father, and that his bloodline still exists? • Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets of Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible — they are probably true! so revolutionary, so original, so convincing, that the most faithful Christians will be moved; here is the book that has sparked worldwide controversy. "Enough to seriously challenge many traditional Christian beliefs, if not alter them." — Los Angeles Times Book Review "Like Chariots of the Gods?...the plot has all the elements of an international thriller." — Newsweek *Dissident Rabbi* National Geographic Books

The discovery of an ancient scroll beneath the Temple Mound in Jerusalem propels an Israeli strategist back in time to explore the New Testament era lives of a Roman centurion and the mysterious woman he loves. 35,000 first printing.

The Templar Revelation Harper Collins

A detailed study of the earliest forms of astrology in Mesopotamia and their far-reaching hermetic influences from the Renaissance to the present day • Reveals the roots of modern astrology in the Babylonian science of omens, which was concerned not with individuals but with the state and king • Explores Mesopotamian mythology as it relates to the planets and to astrology • Traces the hermetic transmission of this knowledge over the centuries from Mesopotamia to Egypt to Renaissance Italy Among the many significant discoveries excavated from Assyrian king Ashurbanipal's royal library in Nineveh were tablets documenting the development of Mesopotamian astrology, now recognized as the earliest astrological science. Drawing upon translations of the Nineveh library tablets as well as many other ancient sources,

Michael Baigent reveals the roots of modern astrology in the Babylonian science of omens. He explains how astrology in the Babylonian and Assyrian empires was concerned not with individuals but with the king and the state. He shows that by the first dynasty of Babylon, around 1900 to 1600 BC, astrology had become a systematic discipline, the preserve of highly trained specialists intent upon interpreting omens from the movements of planets and stars. He explores Mesopotamian mythology as it relates to the planets and to astrology as well as to Mesopotamian religion, magic, and politics--for the mythology of Babylon and Assyria served the state and thus changed as the state changed. He shows how this ancient form of astrology uniquely represents both Sun and Moon as masculine entities and Saturn (Ninurta) as the principle of order imposed on chaos. He examines the connections between ancient astrology and the symbolism of Western religions, such as how the "Greek" or "Templar" cross may symbolize the Babylonian god Nabu, now known as Mercury. Tracing the hermetic transmission of this knowledge over the centuries from Mesopotamia to Egypt to Florence, Baigent reveals how the religious and magical aspects of early Babylonian cosmological speculation played a significant role in the Renaissance, influencing prominent figures such as Cosimo de Medici, Marsilio Ficino, and Botticelli.

The Jesus Papers Harper Collins

A history with sweeping implications, *American Messiahs* challenges our previous misconceptions about "cult" leaders and their messianic power. Mania surrounding messianic prophets has defined the national consciousness since the American Revolution. From Civil War veteran and virulent anticapitalist Cyrus Teed, to the dapper and overlooked civil rights pioneer Father Divine, to even the megalomaniacal Jim Jones, these figures have routinely been dismissed as dangerous and hysterical outliers. After years of studying these emblematic figures, Adam Morris demonstrates that messiahs are not just a classic trope of our national culture; their visions are essential for understanding American history. As Morris demonstrates, these charismatic, if flawed, would-be prophets sought to expose and ameliorate deep social ills—such as income inequality, gender conformity, and racial injustice. Provocative and long overdue, this is the story of those who tried to point the way toward an impossible "American Dream": men and women who momentarily

captured the imagination of a nation always searching for salvation.

The Book of the Holy Grail Weiser Books

Continues the investigation, reported in "Holy Blood, Holy Grail," into accursed treasure, the Knights Templar, Jesus, and the existence of a megalithic masterpiece.

El Legado Mesianico / The Messianic Legacy National Geographic Books

Ever Wonder? What Americas' Horoscope reveals of our future destiny? What the Constellations of the Zodiac convey esoterically? How Freemasonry relates to the Mysteries of ancient Egypt and the founding of America? What magical significance does our Great Seal present in its' arcane symbolism? Where Jesus was for the missing 20 years of Biblical history? What the Dead Sea Scrolls, found in 1947-reveal about Jesus? What is Israel's role in the 'Last Days' scenario? What became of the lost Ten Tribes of Israel? Will Jesus really return to Earth in our lifetime? Who the Lord and Master of the Universe, really is? How accurate the Holy Bible is according to historical events? Wonder no more... We are now at the precipice of a new Age of spiritual awakening. Great Ages seem to produce mighty accomplishments in the arts and sciences, and as well penetrating visions from the prophets of the time. The Age of Aquarius starts off the seventh historical Millennium of our Creator God, His symbolic "day of rest," His Sabbath. Encoded in the circle of the Zodiac, is a story of a Redeemer, the Redemption, and the Redeemed; as the Zodiac intimately reflects Bible prophecy and is in complete accordance with prophecies of the ancient Patriarchs and Prophets. Soon the Angels trumpets will sound and call us to prophesy and collect our Legacy..

The Kennedy Legacy Baker Academic

John, Robert, and Ted Kennedy's individual stories can be seen as essentially one, each successive brother striving to fulfill the interrupted promise of the brother before. The closing of Ted Kennedy's chapter in America's political and cultural life means that, for the first time perhaps, the real measure of the Kennedy legacy can finally be taken. This is a story of a brotherhood in three acts: Act I is John F. Kennedy's presidency, as seen from Ted's front-row seat. Act II is Robert Kennedy's five brief years as the family standard bearer, including his tenure in the Senate with his brother Ted and the memorable 82-day presidential

campaign that redefined the Kennedy legacy. Act III is Ted's 40-plus years in the Senate as keeper of the flame. How did the brothers pass the torch to each other? What have the three brothers left us collectively? And who carries the torch forward now? The Kennedy Legacy compellingly answers these questions and much more.

Holy Blood, Holy Grail Illustrated Edition Thomas Nelson

Bestselling author Henry Lincoln reveals the groundbreaking secrets of one of the most sacred places on earth.

The Messianic Legacy Princeton University Press

In this enthralling historical detective story, the authors of *The Holy Blood and the Holy Grail* trace the flight after 1309 of the Knights Templar from Europe to Scotland, where the Templar heritage was to take root, and would be perpetuated by a network of noble families. That heritage, and the Freemasonry that arose from it, became inseparable from the Stuart cause. *The Temple and the Lodge* charts the birth of Freemasonry through the survival of Templar traditions, through currents of European thought, through the mystery surrounding Rosslyn chapel, and through an elite cadre of aristocrats attached as personal bodyguards to the French king. Pursuing Freemasonry through the 17th and 18th Centuries, Michael Baigent and Richard Leigh reveal its contribution to the fostering of tolerance, progressive values, and cohesion in English society, which helped to pre-empt a French-style revolution. Even more dramatically, the influence of Freemasonry emerges as key factor in the formation of the United States of America as an embodiment of the ideal 'Masonic Republic'.

Holy Scriptures, Tree of Life Version (TLV) Random House

In a series of different chapters Michael Baigent examines a number of enigmas surrounding such ancient mysteries as Atlantis and the Pyramids. He investigates such questions as whether there were ancient contacts between Europe and America, and whether a great catastrophe hit the planet around 10000 BC. And in the process he calls into question much of today's orthodoxy on such subjects.

Bloodline of the Holy Grail Bear

Here, a team of award-winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies. This "first book" provides students of any religious

tradition with the foundational skills, vocabulary, conceptual understanding, and research abilities that they need to succeed in theology and religious studies. Theological Foundations provides the following: Ten chapters that introduce the major sub-disciplines of theology creating a well-rounded source for understanding the discipline as a whole Contributions that are clear, accessible, and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one-of-a-kind, integrated library research component, "From the Reference Librarian," which teaches students the foundational skills needed for successful study in theology and in any academic discipline

Holy Blood, Holy Grail Viking Press

Did Jesus claim to be the long-awaited "messiah"? Going against much contemporary scholarship, Australian scholar Michael Bird argues that he did. He begins by exploring the messianic expectations in the Old Testament and Second Temple Jewish literature. Next, Bird points out weaknesses in current arguments that "Messiah," or "Christ," was a title given to Jesus by the early church but not used by Jesus himself. Bird then examines the Gospels and related literature, finding in Jesus's words and actions evidence that he saw himself as the messiah described in the Scriptures of Israel and believed that Israel's restoration hinged on the outcome of his ministry.

The Messianic Legacy in the Age of Aquarius Penguin UK
First translated into English by our country's third president, this is the Bible of Gnostic Christianity, the original source for the legends of the Holy Grail, Freemasonry, even of the Mormon Church. Its text contains the most attacked and suppressed alternative gospel of the life of Jesus, and the book disputes accounts in the traditionally accepted gospels regarding what Jesus' mission on Earth really was, what Jesus taught, and how Jesus died.

Theological Foundations Baker Books

Holy Blood, Holy Grail rocked the very foundations of Christianity. Now four more years of research have uncovered shocking

material — and its earthshaking consequences. • What extraordinary meaning lies behind Jesus' title — "King of the Jews"? • Was there more than one Christ? • Who really constituted Jesus' following — and what were the real identities of Simon Peter and Judas Iscariot? • Who now has the ancient treasure of the Temple of Jerusalem? • What is the true source of today's Christian "Fundamentalism"? • What links the Vatican, the CIA, the KGB, the Mafia, Freemasonry, and the Knights Templar? • What is the stunning goal of the European secret society that traces its lineage back to Christ and the House of David? The Messianic Legacy. Here is the book that reveals the answers to these intriguing, potentially explosive questions. Utilizing the same meticulous research that catapulted their first book onto the best seller lists, the authors again bring an enlightening message of truth — and urgent importance — to Christians and non-Christians the world over.

The Holy Place Canongate Books

Will current generations live to see Armageddon? Are there really sinister forces at work, encouraging its imminent arrival? If so, who exactly are they? In his latest investigative book Michael Baigent takes us to the assembly hall of the UN, the boardrooms of major businesses and powerful lobbying groups, the cabinet meetings of world leaders, the ranches of cattle breeders, the churches of the faithful, and the narrow winding streets of modern Jerusalem, revealing to us the many diverse, public, and clandestine figures behind a perilous messianic agenda. By unveiling truly bizarre alliances, revisiting centuries-old ghostly events still haunting the birthplaces of religion, unraveling complex threads of history to discern the difference between myth and prophecy, and providing a thorough explication of the religious texts underlying all of this madness in the context of the times in which they were written, Baigent presents a very different view of the past, present, and future than that perpetuated by many loose interpretations of scripture. What are faith force multipliers? Which members of the U.S. military top brass have fought to employ them? Which world leader belongs to a secret messianic society called the Hojjatieh? What is the

Chalcedon Foundation? And what is the correlation between its tenets, those of sharia law, and the fulfillment of end-time prophecies? The answers to these questions and others will intrigue, mystify, and enrage you, whether you're a person of faith or a staunch secularist. But the author's goal is not simply to shock the reader—it is to help diffuse the time bomb that has been set by the hard-liners of Judaism, Christianity, and Islam. In the end, Baigent asks these questions to deliver an urgent message: that spiritual yearning is actually a deep and personal issue of awareness, one that can bring hope and tolerance to the world, rather than the self-superiority and control that are born of fear and conflict.

The Magdalene Legacy Liveright Publishing

What do you do when who you are destined to be, is trapped inside of who you are? This book exposes the life and legacy of Leah, the Messianic Matriarch. So little has been said about Leah in the biblical text. Her story has been easily overlooked, misinterpreted and maligned in history. Therefore, she has been given a bad rap, and many have even mistakenly called her ugly! The untold story of Leah's legacy declares that God has a purpose for your pain, a reason for your struggle and a gift for your faithfulness! Although she comes across as secondary in the eyes of her father, her sister, her husband and even in history, Leah was primary in the mind of God! Amidst this dark period of her life, God gives her a clear vision of the monumental role she played in Israel's future - birthing half of the nation of Israel, and most notably the Messianic and priestly tribes. The "left out" sister gives us a living Savior; the mistreated one gives us the Messiah! Leah's story speaks a word of hope for the disenfranchised and disadvantaged; those who know the pain of being marginalized and minimized. It's comforting to know that when we feel like the underdog, the outcast and overlooked, that our God has us in mind! He zeroes in on the thing that really matters - our response to His love. God chose the lineage of Leah to usher in the Messianic tribe of Judah, through whom His Son and our Savior, Jesus Christ would be born. Read "Clear Vision in a Dark Place" and see Leah like you have never seen her before!
