## MARTINEZ RAMOS

*Alfred's Basic Adult Course Christmas, Bk 1* Alfred Music  
A beginning course for adults who prefer a chord approach. It teaches chords for both hands so that the student can play more than single note melodies. This course is most effective when used under the direction of a piano teacher or experienced musician.

Adventures. You will find world-famous classic and popular melodies, as well as folk songs from around the world, jazz and blues favorites, and beloved spirituals. You will learn to play chords and gain an understanding of basic harmony while developing reading skills.

- Publisher.  
*Alfred's Basic Adult Piano Course Level One: Lesson Book* Alfred Music Publishing  
 Every concept and principal

introduced in the Lesson Books of Alfred's Basic Adult Piano Course is reinforced in each of the correlated Theory Books. Important tips are included that make learning chord progressions even easier!

Alfred's Basic Adult Piano Course: Country Songbook, Book 1 Alfred Music Publishing  
 This book teaches sight reading in a systematic way by creating exercises based on the

same concepts that the student is studying in the Lesson Book. Exercises are short and the music is generally easier than correlating pages in the Lesson Book.

**Accelerated Piano Adventures for the Older Beginner**  
 Alfred Music  
 Designed to supplement Alfred's Basic Adult Piano Course, but may also be used to supplement any piano course. Rich collections of popular folk

and country songs, sing-along favorites, holiday songs and arrangements of well-known classics.

John Thompson's Adult Piano Course - Book 2 Alfred Music (Faber Piano Adventures ). Adult Piano Adventures Classics Book 1 celebrates great masterworks of Western music, including symphony themes, opera gems, and classical favorites. The melodies of Bach,

Beethoven, Brahms, and other master composers are arranged at just the right level for adult beginners and for those who are returning to the keyboard. Section 1 features piano arrangements with minimal hand position changes, and many selections include an optional duet part. Section 2 introduces the I, IV, and V7 chords in the key of C major, harmonizing themes such as Sibelius's Finlandia,

Schubert's The Trout, and Mendelssohn's Spring Song. Section 3 presents the primary chords in the key of G major, with arrangements of Vivaldi's Autumn (from The Four Seasons), Mozart's theme from The Magic Flute, Liszt's Liebestraum, and more.

*John Thompson's Adult Piano Course - Book 1* Ingram (Willis). NEW AND IMPROVED! Recently re-engraved and updated, John

Thompson's Adult Piano Course was compiled with the mature student in mind. Adults have the same musical road to travel as the younger student, but the study material for a mature student will differ slightly in content. Since these beloved books were written and arranged especially for adults, they contain a wonderful mix of classical arrangements, well-known folk-tunes and outstanding

originals that many will find a pleasure to learn and play. Most importantly, the student is always encouraged to play as artistically and with as much musical understanding as possible. The accompanying audio is accessed through Hal Leonard's popular MyLibrary system using the provided code. The audio can be streamed or downloaded and includes PLAYBACK+, a multi-

functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

**Alfred's

Christmas  
Hits, Bk 1**

Alfred Music This book begins with an extensive review of the chords and keys previously studied, using fresh and interesting material that will provide enjoyment as well as reinforcement. Particularly

noteworthy is the systematic presentation of chords in all positions in both hands.

 Alfred Music  
 Play Piano  
 Now! is for

busy adults whose practice time is limited, and for adults without previous musical training. It is a slower-paced method that uses the same conceptual core of our original Adult Piano Course, but with several very important added features: more gradual introduction of music fundamentals, more pages of reinforcement and a greater emphasis on sight-reading exercises, one of the most

important skills needed to ensure long-term enjoyment of the piano. Includes specially marked written exercises that can be completed away from the keyboard. The comb binding creates a lay-flat book that is perfect for study and performance. *Alfred's Basic Adult Piano Course: Theory Book 1* Alfred Music Publishing Alfred's Basic Adult All-in-One Course is designed for use with an

instructor for the beginning student looking for a truly complete piano course. It is a greatly expanded version of Alfred's Basic Adult Piano Course that will include lesson, theory, and technique in a convenient, "all-in-one" format. This comprehensive course features written assignments that reinforce each lesson's concepts, a smooth, logical progression between each lesson, a

thorough explanation of chord theory and playing styles, and outstanding extra songs, including folk, classical, and contemporary selections. At the completion of this course, the student will have learned to play some of the most popular music ever written and will have gained a good understanding of basic musical concepts and styles. The CD has accompaniments to support the student's

playing of the exercises and songs found in the Level 2 book.
