INSTANT #1 NEW YORK TIMES  
BESTSELLER: Agent Pendergast faces his most unexpected challenge yet when bloodless bodies begin to appear in Savannah, GA. A fabulous heist: On the evening of November 24, 1971, D. B. Cooper hijacked Flight 305—Portland to

Seattle—with a fake bomb, collected a ransom of \$200,000, and then parachuted from the rear of the plane, disappearing into the night...and into history. A brutal crime steeped in legend and malevolence: Fifty years later, Agent Pendergast takes on a bizarre and gruesome case: in the ghost-haunted city of Savannah, Georgia, bodies are found with no blood left in their veins—sowing panic and reviving whispered tales of the infamous Savannah Vampire. A case like no other: As the mystery rises along with the body count, Pendergast and his partner, Agent Coldmoon, race to understand how—or

if—these murders are connected to the only unsolved skyjacking in American history. Together, they uncover not just the answer...but an unearthly evil beyond all imagining.

Relic Grand Central Publishing  
A stunning new archaeological thriller by the New York Times bestselling co-author of Brimstone and Relic. A moon rock missing for thirty years... Five buckets of blood-soaked sand found in a New Mexico canyon... A scientist with ambition enough to kill... A monk who will redeem the world... A dark agency with a deadly mission... The greatest scientific discovery

of all time... What fire bolt from the galactic dark shattered the Earth eons ago, and now hides in that remote cleft in the southwest U.S. known as Tyrannosaur Canyon? Tyrannosaur Canyon is a stunning novel from acclaimed bestselling author Douglas Preston, hailed by Publishers Weekly as "better than Crichton." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Tyrannosaur Canyon** Macmillan  
Racing to uncover the mystery of several severed feet found floating in the Gulf of Mexico, Agent Pendergast is faced with the most inexplicable challenge of his career in this installment of the #1 New York Times bestselling series. A startling crime with dozens of victims. Appearing out of nowhere to horrify the quiet resort town of Sanibel Island, Florida, dozens of identical, ordinary-looking shoes float in on the tide and are washed up on the tropical beach--each one with a crudely severed human foot inside. A ghastly enigma with no apparent solution. Called away from vacation elsewhere in the state, Agent Pendergast reluctantly agrees to visit the crime scene--and, despite himself, is

quickly drawn in by the incomprehensible puzzle. An early pathology report only adds to the mystery. With an ocean of possibilities confronting the investigation, no one is sure what happened, why, or from where the feet originated. And they desperately need to know: are the victims still alive? A worthy challenge for a brilliant mind. In short order, Pendergast finds himself facing the most complex and inexplicable challenge of his career: a tangled thread of evidence that spans seas and traverses continents, connected to one of the most baffling mysteries in modern medical science. Through shocking twists and turns, all trails lead back to a powerful adversary with a sadistic agenda and who--in a cruel irony--ultimately sees in Pendergast the ideal subject for their malevolent research.  
*A Novel* Grand Central Publishing  
At a remote Tibetan monastery, FBI Special Agent Pendergast must find a powerful and ancient artifact before it falls into the wrong hands. A luxury ocean liner on its maiden voyage across the North Atlantic, awash in wealth and decadence... An ancient Tibetan box, its contents unknown, sealed with a terrifying

warning... An FBI agent destined to confront what he fears most--himself...  
*Two Graves* Grand Central Publishing  
As he stalks his wife's traitors from Scotland to New York City, Special Agent Pendergast discovers layers of deception and conspiracy that will shatter everything he believed to be true. Yesterday, Special Agent Pendergast still mourned the loss of his beloved wife, Helen, who died in a tragic accident in Africa twelve years ago. Today, he discovers she was murdered. Tomorrow, he will learn her most guarded secrets, leaving him to wonder: Who was the woman I married? Why was she murdered? And, above all . . . Who murdered her? Revenge is not sweet: It is essential.

Brimstone Forge Books

The mysterious disappearance of treasure hunter and adventurer Maxwell Broadbent--along with that of his riches--sends his three sons on a search for their father, who has hidden himself and his treasures, in order to claim their inheritance, which also includes an ancient Mayan codex containing revolutionary pharmacological secrets that someone will do anything to find. Reprint.

### Extraction Forge Books

After his wife, Helen, is brazenly abducted before his eyes, Special Agent Pendergast furiously pursues the kidnapers, chasing them across the country and into Mexico. But then, things go terribly, tragically wrong; the kidnapers escape; and a shattered Pendergast retreats to his New York apartment and shuts out the world. But when a string of bizarre murders erupts across several Manhattan hotels-perpetrated by a boy who seems to have an almost psychic ability to elude capture-NYPD Lieutenant D'Agosta asks his friend Pendergast for help. Reluctant at first, Pendergast soon discovers that the killings are a message from his wife's kidnapers. But why a message? And what does it mean? When the kidnapers strike again at those closest to Pendergast, the FBI agent, filled anew with vengeful fury, sets out to track down and destroy those responsible. His journey takes him deep into the trackless forests of South America, where he ultimately finds himself face to face with an old evil that-rather than having been eradicated-is stirring anew... and with potentially world-altering consequences. Confucius once said:

"Before you embark on a journey of revenge, first dig two graves." Pendergast is about to learn the hard way just how true those words still ring.

*The Pendergast Files* Grand Central Publishing

From #1 New York Times bestselling authors Preston & Child, an all-new short story featuring Agent Pendergast, available only as an ebook and audio download. In New Orleans' French Quarter, the Tooth Fairy isn't a benevolent sprite who slips money under your pillow at night....he's a mysterious old recluse who must be appeased with teeth--lest he extract retribution. When young Diogenes Pendergast loses a tooth, however, his skeptical older brother Aloysius is determined to put the legend to the test...with dire consequences. \*Includes a special preview chapter of Preston & Child's new full-length novel TWO GRAVES, available December 11, 2012.

*(Relic, Reliquary)* Grand Central Publishing  
**INSTANT NEW YORK TIMES BESTSELLER**  
 Gideon Crew--brilliant scientist, master thief--is living on borrowed time. When his mysterious employer, Eli Glinn, gives him an eyebrow-raising mission, he has no

reason to refuse. Gideon's task: steal a page from the priceless Book of Kells, now on display in New York City and protected by unbreakable security. Accomplishing the impossible, Gideon steals the parchment--only to learn that hidden beneath the gorgeously illuminated image is a treasure map dating back to the time of the ancient Greeks. As they ponder the strange map, they realize that the treasure it leads to is no ordinary fortune. It is something far more precious: an amazing discovery that could perhaps even save Gideon's life. Together with his new partner, Amy, Gideon follows a trail of cryptic clues to an unknown island in a remote corner of the Caribbean Sea. There, off the hostile and desolate Mosquito Coast, the pair realize the extraordinary treasure they are hunting conceals an even greater shock-a revelation so profound that it may benefit the entire human race . . . if Gideon and Amy can survive.

**Fever Dream** Grand Central Publishing  
 A secret chamber. A mysterious shipwreck. A murder in the desolate salt marshes. A seemingly straightforward private case turns out to be much more

complicated-and sinister-than Special Agent A.X.L. Pendergast ever could have anticipated. Pendergast, together with his ward Constance Greene, travels to the quaint seaside village of Exmouth, Massachusetts, to investigate the theft of a priceless wine collection. But inside the wine cellar, they find something considerably more disturbing: a bricked-up niche that once held a crumbling skeleton. Pendergast and Constance soon learn that Exmouth is a town with a very dark and troubled history, and this skeleton may be only the first hint of an ancient transgression, kept secret all these years. But they will discover that the sins of the past are still very much alive. Local legend holds that during the 1692 witch trials in Salem, the real witches escaped, fleeing north to Exmouth and settling deep in the surrounding salt marshes, where they continued to practice their wicked arts. Then, a murdered corpse turns up in the marshes. The only clue is a series of mysterious carvings. Could these demonic symbols bear some relation to the ancient witches' colony, long believed to be abandoned? A terrible evil lurks beneath the surface of this sleepy seaside town-

one with deep roots in Exmouth's grim history. And it may be that Constance, with her own troubled past, is the only one who truly comprehends the awful danger that she, Pendergast, and the residents of Exmouth must face . . .

Mount Dragon Grand Central Publishing  
Nora Kelly, a young archaeologist in Santa Fe, receives a letter written sixteen years ago, yet mysteriously mailed only recently. In it her father, long believed dead, hints at a fantastic discovery that will make him famous and rich---the lost city of an ancient civilization that suddenly vanished a thousand years ago. Now Nora is leading an expedition into a harsh, remote corner of Utah's canyon country. Searching for her father and his glory, Nora begins to unravel the greatest riddle of American archeology. but what she unearths will be the newest of horrors...

*Blasphemy* Forge Books

In this #1 New York Times bestseller, FBI Agent Pendergast reluctantly teams up with a new partner to investigate a rash of Miami Beach murders . . . only to uncover a deadly conspiracy that spans decades. After an overhaul of leadership at the FBI's New York field office, A. X. L. Pendergast is

abruptly forced to accept an unthinkable condition of continued employment: the famously rogue agent must now work with a partner. Pendergast and his new colleague, junior agent Coldmoon, are assigned to investigate a rash of killings in Miami Beach, where a bloodthirsty psychopath is cutting out the hearts of his victims and leaving them with cryptic handwritten letters at local gravestones. The graves are unconnected save in one bizarre way: all belong to women who committed suicide. But the seeming lack of connection between the old suicides and the new murders is soon the least of Pendergast's worries. Because as he digs deeper, he realizes the brutal new crimes may be just the tip of the iceberg: a conspiracy of death that reaches back decades.

Fever Dream Grand Central Publishing  
Colorado, 1876: At a remote mining camp high in the Rocky Mountains, eleven silver miners are killed, their bodies horribly mutilated, flesh devoured. Bear attack? Not everyone thinks so. 136 years later, the cemetery where the miners were buried is being cleared for new development. Forensic pathologist Corrie

Swanson has arranged to study the bones. What she discovers will expose a conspiracy that's as lethal today as it was a century ago. As the winter snows fall, Corrie's life depends on unravelling a dark secret... the key to which may just lie in a lost Sherlock Holmes story, a tale allegedly so horrifying that its author never dared publish it.

**A Repairman Jack Novel** Macmillan

The #1 NYT bestselling authors Preston & Child bring the true story of the ill-fated Donner Party to new life in this thrilling novel of archaeology, history, murder, and suspense. Nora Kelly, a young curator at the Santa Fe Institute of Archaeology, is approached by historian Clive Benton with a once-in-a-lifetime proposal: to lead a team in search of the so-called "Lost Camp" of the tragic Donner Party. This was a group of pioneers who earned a terrible place in American history when they became snow-bound in the California mountains in 1847, their fate unknown until the first skeletonized survivors stumbled out of the wilderness, raving about starvation, murder-and cannibalism. Benton tells Kelly he has stumbled upon an amazing find: the long-sought diary of

one of the victims, which has an enigmatic description of the Lost Camp. Nora agrees to lead an expedition to locate and excavate it-to reveal its long-buried secrets. Once in the mountains, however, they learn that discovering the camp is only the first step in a mounting journey of fear. For as they uncover old bones, they expose the real truth of what happened, one that is far more shocking and bizarre than mere cannibalism. And when those ancient horrors lead to present-day violence on a grand scale, rookie FBI agent Corrie Swanson is assigned the case...only to find that her first investigation might very well be her last.

A Novel Grand Central Publishing

Investigating a series of savage murders that are disrupting a massive new exhibition at the New York Museum of Natural History, graduate student Margo Green finds a clue in a failed Amazonian expedition. Reissue.

*The Codex* Head of Zeus

A modern horseback journey across 1,000 miles of desert and wilderness following the trail of the first European explorer in the American Southwest.

A Novel Grand Central Publishing

The largest known meteorite has been discovered, entombed in the earth for millions of years on a frigid, desolate island off the southern tip of Chile. At four thousand tons, this treasure seems impossible to move. New York billionaire Palmer Lloyd is determined to have this incredible find for his new museum. Stocking a cargo ship with the finest scientists and engineers, he builds a flawless expedition. But from the first approach to the meteorite, people begin to die. A frightening truth is about to unfold: The men and women of the Rolvaag are not taking this ancient, enigmatic object anywhere. It is taking them.

**Cities of Gold** Grand Central Publishing

Special Agent Pendergast-one of the most original, compelling characters in all of contemporary fiction-returns in Preston and Child's new exhilarating novel BLUE LABYRINTH A long-buried family secret has come back to haunt Special Agent Aloysius Pendergast. It begins with murder. One of Pendergast's most implacable, most feared enemies is found on his doorstep, dead. Pendergast has no idea who is responsible for the killing, or why the body was brought to his home. The mystery has

all the hallmarks of the perfect crime, save for an enigmatic clue: a piece of turquoise lodged in the stomach of the deceased. The gem leads Pendergast to an abandoned mine on the shore of California's Salton Sea, which in turn propels him on a journey of discovery deep into his own family's sinister past. But Pendergast learns there is more at work than a ghastly episode of family history: he is being stalked by a subtle

killer bent on vengeance over an ancient transgression. And he soon becomes caught in a wickedly clever plot, which leaves him stricken in mind and body, and propels him toward a reckoning beyond anything he could ever have imagined...

**City of Endless Night** Grand Central Publishing
