House India
'You are from India—the land of three hundred and thirty million Gods, and you say you don't believe in even one of them? I think it's time to go home, Sid.'
Andrea's words have been echoing in my head since last night when she poured

another round of scotch. I entered God in the Google search bar and of all the places, it directed me to India—a place where I had buried my childhood dream eleven years ago, and moved to New York. I waived God away when I got to New York, and, to be honest, I didn't need Him either. Until now... Life's always been a bitch but this time it's gone too far. I want my money and my company back, and I

will find God one way or the other to get my answers. I've boarded the flight. Hop on...and yes...carry some scotch along. See you on the other side. Cheers, Sid—Siddharth Khanna
A Novel
BenBella Books
A rib-tickling, pithy look at life and its idiosyncrasies ... Run after money, it will keep you fit. Have sex, it will keep you alive. The more you look and behave like a monkey, the more

successful you will be. Too much knowledge brings pain into your life. Read Rantings of a Mad Man for more such practical nuggets to tackle life's endless marathon. The book urges you to make the most of your existence on earth without actually taking life too seriously. The author's perspectives will surprise you, even shock you at times, and definitely leave you thinking for a

long, long time. Abuisms, as the author calls his words of wisdom, question popular perceptions and burst several myths in the process of unearthing life's vital truths. Are you ready to handle the naked truth, no holds barred?

Notion Press
Few lives have been more eventful and controversial than Protima Bedi's, and

Timepass, derived from her unfinished autobiography , journals and her letters to family, friends and lovers, is a startlingly frank and passionate memoir. Protima recounts with unflinching honesty the events that shaped her life: her humiliation as a child at being branded the ugly duckling, repeated rape by a cousin when she was barely ten, the failure of her 'open' marriage with Kabir Bedi, her

many sexual encounters, and the romantic relationships she had with prominent politicians and artistes. She writes, too, of her intense involvement with dance, her relationship with her guru and fellow dancers, the difficult mission of establishing Nrityagram, and the suicide of her son--a tragedy from which she never fully recovered. In a moving epilogue to the book, her daughter,

Pooja Bedi, describes her last days and the circumstances of her death. Illustrated with over fifty photographs, Timepass is the story of a remarkable woman who had the spirit, the courage and the intelligence to live life entirely on her own terms. I have broken every single rule that our society has so carefully constructed. doing and never given a damn. I have flaunted my youth, my sex, my

intelligence, and I have done it shamelessly. I have loved many, been loved by some...

put everything on the line in this high-speed thrill ride of a novel. But will they come out laughing or are they walking into a trap?

A Beginner's Guide to the Basics of Investing and Random House India
An

introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning.

Principles of Marketing keeps pace with a rapidly

changing field, focussing on the ways brands create and capture consumer value.

Practical content and linkage are at the heart of this edition.

Real local and international examples bring ideas to life and new feature

'linking the concepts' helps students test and consolidate understanding as they go.

The latest edition enhances understanding with a unique learning design

including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Your ultimate beauty bible to ageing gracefully

One Point Six Technology Pvt Ltd
Traces India's economic and social transformation

into a free-market democracy, sharing the stories of its top players while weaving in the author's own life experiences as a former CEO for Procter & Gamble India. Reprint. *A Marriage* John Wiley & Sons George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the

last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system

and initiates a forbidden love affair with another party member.

Taraka Rama Rao, widely known as NTR, was not merely a film star who strayed into politics and captured power in Andhra Pradesh. The actor-politician redefined the political culture in the state and scripted a new political idiom. His rather dramatic entry into politics, the profound impact he left on the people of Andhra Pradesh and the vital role he played in national politics during

his relatively short political life, however, have not received deserving recognition. Maverick Messiah: A Political Biography of NTR captures different facets of NTR in all their varied hues and puts in perspective the significant contribution of the actor-politician to the Indian political tapestry. *A Political Biography of NT Rama Rao* Notion Press "8.5 x 11" Inch With 100 pages and

When Depression and I became

Friends e-artnow sro What is reality? Is it "real"? Is it an illusion? If it's an illusion, can we bend

our way around it? These questions are not only in our minds. They've troubled great scientists and philosophers throughout the ages. But the answers to them are not so easy to understand. You see, our world seems quite real to us. Well, most people think so. But I've seen how this leads to huge problems in life. We believe we can't change it, we believe we're at the behest of faith, or worst,

we believe that God is controlling everything. All these thoughts have put us in victim consciousness for too long. All your problems - lack of money, lack of relationships, lack of success, lack of fame, lack of recognition, lack of this and lack of that - cease to make any sense once you understand really what we're talking about. Even your successes in life will just be

another feather on your hat once you develop a deep inner sense of purpose, peace, joy, and happiness. You don't need specific steps to achieve your specific goal, instead, you need a better model of living. A systemic upgrade - top to bottom - so that you can start looking at things in a different way, and guess what, you're at the right place. Mixing the knowledge of ancient

eastern sages along with modern scientific evidence, you'll see how you've been blind sighted your whole life - and this book will do the simple act of removing the blindfold from your eyes. This is not another book about the Law of Attraction or manifestation. With deep truths waiting for you inside, it also gives you practical ways to start taking action right now. Instead of reading book after book, it

will push you to take action. It details simple, step by step procedures that can quickly get you on the right path to master your life. You'll find all the tools and techniques that you can use to achieve whatever you want. Perhaps you may not need any other tool if you master the ones mentioned inside! Dive in, to learn how to bend reality and achieve your highest potential.

Grab your copy today!
BONUS RESOURCES WHICH YOU GET ALONG WITH THE BOOK: •
 Bonus 1: Weekly Tracker This beautiful tracker makes it easier for you to find more time to achieve your goals faster •
 Bonus 2: Concentration Worksheet This worksheet included tons of tips to improve your concentration and an exercise to help you concentrate better. •

Bonus 3: Self Regulation & Willpower Measurement Questionnaire A scientific and research-backed questionnaire to measure your willpower and self-regulation capacity. Not only this, you get guidelines to keep your willpower in control. •
 Bonus 4: Magnetism Exercise Learn how to find what Magnetises (attracts) others towards you (and vice-versa). Performing this simple

exercise will enable you to develop more meaningful relationships in your life. •
 Bonus 5: Guided Meditation Technique & Meditation Tracker Get a couple of guided meditation techniques (step-by-step explanations) along with a beautifully designed meditation tracker to help you start meditating and turn it into a habit for life! •
 Bonus 6: Companion Reading Guide A series of 6 emails will

deliver extra content for understanding the main ideas in the book. The best part – each email is instantly applicable to your daily life. 7THINGS YOU WILL LEARN IN THIS BOOK: Bend Reality will teach you... 1. Why most people are wrong about Reality 2. How to set yourself up for success by identifying your true purpose (it's not what you might think!) 3. The only tools you need which will help you to cross the jungle of

life 4. Practical Guides and Activities to help you master the tools to change your reality 5. How to develop the habits you need to protect yourself from obstacles 6. The power of meditation that most people ignore 7. How to bend reality using a step by step approach from everything you've learned! ... and much more. Grab your book now! **To Dad with Love**

Diamond Pocket Books Pvt Ltd Hey hold on! Depression is not what you and me were thinking it is. Read on to find out how it became my friend and maybe it can become yours too. **Six Suspects** One Point Six Technology Pvt Ltd Mutual-fund superstar Peter Lynch and author John Rothchild explain the basic principles of the stock market and business in an investing guide that will

enlighten and entertain anyone who is high-school age or older. Many investors, including some with substantial portfolios, have only the sketchiest idea of how the stock market works. The reason, say Lynch and Rothchild, is that the basics of investing—the fundamentals of our economic system and what they have to do with the stock market—aren't taught in school. At a

time when individuals have to make important decisions about saving for college and 401(k) retirement funds, this failure to provide a basic education in investing can have tragic consequences. For those who know what to look for, investment opportunities are everywhere. The average high-school student is familiar with Nike, Reebok, McDonald's, the Gap, and

the Body Shop. Nearly every teenager in America drinks Coke or Pepsi, but only a very few own shares in either company or even understand how to buy them. Every student studies American history, but few realize that our country was settled by European colonists financed by public companies in England and Holland—and the basic principles

behind public companies haven't changed in more than three hundred years. In *Learn to Earn*, Lynch and Rothchild explain in a style accessible to anyone who is high-school age or older how to read a stock table in the daily newspaper, how to understand a company annual report, and why everyone should pay attention to the stock market. They explain not only how to

invest, but also how to think like an investor. *Diabetes free world - The Game of Life & Death* University of Queensland Press(Australia)
A NEW YORK TIMES NOTABLE BOOK OF 2021 • From New York Times bestselling author Eleanor Henderson comes a turbulent love story meets harrowing medical mystery: the true story of the author's twenty-year marriage

defined by her husband's chronic illness—and a testament to the endurance of love
Eleanor met Aaron when she was just a teenager and he was working at a local record store—older, experienced, and irresistibly charming. Escaping the clichés of fleeting young love, their summer romance bloomed into a relationship that survived college and culminated in a marriage and two children. From

the outside looking in, their life had all the trappings of what most would consider a success story. But, as in any marriage, things weren't always as they seemed. On top of the typical stresses of parenting, money, and work, there were the untended wounds of depression, addiction, and childhood trauma. And then one day, out of nowhere: a rash appeared on Aaron's

arms. Soon, it had morphed into painful lesions covering his body. Eleanor was as baffled as the doctors. There was no obvious diagnosis, let alone a cure. And as years passed and the lesions gave way to Aaron's increasingly disturbed concerns about the source of his sickness, the husband she loved seemed to unravel before her eyes. A new fissure ruptured in their

marriage, and new questions piled onto old ones: Where does physical illness end and mental illness begin? Where does one person end and another begin? And how do we exist alongside someone else's suffering? Emotional, intimate, and at times agonizing, Everything I Have Is Yours tells the story of a marriage tested by powerful forces outside both partners' control. It's

not only a memoir of a wife's tireless quest to heal her husband, but also one that asks just what it means to accept someone as they are.

Acting Smart: Your Ticket To Showbiz

Random House India

The basis for The Great Indian Murder, now a streaming series! There's a caste system--even in murder

From the

author of the international bestseller Slumdog Millionaire comes a richly-textured tale of murder, corruption, and opportunity.

Seven years ago, Vivek "Vicky" Rai, the playboy son of the Home Minister of Uttar Pradesh, murdered bartender Ruby Gill at a trendy restaurant in New Delhi, simply because she refused to serve him a drink. Now Vicky Rai has

been killed at the party he was throwing to celebrate his acquittal. The police recover six guests with guns in their possession: a corrupt bureaucrat who claims to have become Mahatma Gandhi overnight; an American tourist infatuated with an Indian actress; a stone-age tribesman on a quest to recover a sacred stone; a Bollywood sex-symbol with a guilty secret; a mobile-phone

thief who dreams big; and an ambitious politician prepared to stoop low. Swarup unravels the lives and	motives of the six suspects, offering both a riveting page-turner and an insightful peek into the heart of contemporary India.	Audaciously and astutely plotted, with a panoramic imaginative sweep, Six Suspects is the work of a master storyteller.
