The rise and fall in the profits of stock depend upon the same causes with the rise and fall in the wages of labour, the increasing or declining state of the wealth of the society; but those causes affect the one and the other very differently. The increase of stock, which raises wages, tends to lower profit. An Inquiry into the Nature and Causes of the Wealth of Nations More Than Just A Diet: An Inquiry Into Veganism Abstract BACKGROUND: The vegan diet has gained momentum in recent years, with more people transitioning to the diet, whether for health or more ethically based reasons. The vegan diet, often characterized as very restrictive, is associated with health benefits but raises concerns. More Than Just A Diet: An Inquiry Into Veganism The concept of al-mahdi is an important theological idea in Shi'ism, its literary meaning being 'the rightly guided'.
