New In Chess is the world's premier chess magazine and has subscribers in 97 different countries. *New in Chess Yearbook 4* New In Chess,Csi Chess is a cruel game. We all know that feeling when your position has gone awry and everything seems hopeless. You feel like resigning. But don't give up! This is precisely the moment to switch to swindle mode. Master the art of provoking errors and you will be able to turn the tables and escape with a draw - or sometimes even steal the full point! Swindling is a skill that can be trained. In this book, David Smerdon shows how you can use

tricks from psychology to marshal hidden resources and exploit your opponent's biases. In a lost position, your best practical chance often lies not in what the computer recommends, but in playing your opponent. With an abundance of eye-popping examples and training exercises, Smerdon identifies the four best friends of every chess swindler: your opponent's impatience, their hubris, their fear, and their need to stay in control. You'll also learn about such cunning swindling motifs as the Trojan Horse, the Decoy Trap, the Berserk Attack, and 'Window-Ledging'. So, come and join the Swindlers' Club, become a great escape artist and dramatically

improve your results. In this instructive and highly entertaining guide, Smerdon shows you how.

Yearbook 9 New In Chess,Csi

The Stories and the Games: Alekhine - Euwe - Botvinnik -

Smyslov – Tal –
 Petrosian – Spassky –
 Fischer – Karpov –
 Kasparov For many
 years Jan Timman was
 one of the best chess
 players in the world.
 He combined his
 brilliant successes on
 the board with a
 passion for writing and
 meticulously analysing
 his own games and
 those of his rivals.
 Three times he was a
 World Championship
 Candidate and in 1993
 he played in the final of
 the FIDE World
 Championship. In this
 fascinating book, Jan
 Timman portrays ten
 World Chess
 Champions that played
 an important role in his
 life and career.
 Alexander Alekhine
 (1892-1946) he never
 met, but the story of
 how in Lisbon he
 bought one of the last
 chess sets belonging to

the fourth World
 Champion is one of
 many highlights in this
 book. Timman has a
 keen eye for detail and
 a fabulous memory,
 and he visibly enjoys
 sharing his insider
 views, including many
 revelations about the
 great champions.
 Timman's Titans not
 only presents a
 personal view of these
 chess giants, but is
 also an evocation of
 countless fascinating
 episodes in chess
 history. Each portrait is
 completed by a rich
 selection of illustrative
 games, annotated in
 the author's trademark
 lucid style. Always to
 the point, sharp and
 with crystal-clear
 explanations, Timman
 shows the highs and
 lows from the games of
 the champions,
 including the most
 memorable games he

himself played against them.

New in Chess Yearbook 10 New In Chess,Csi

How to Reassess Your Chess has long been considered a modern classic. This 4th edition takes Silman's groundbreaking concept of imbalances to a whole new level. Designed for players in

the 1400 to 2100 rating range and for teachers looking for a ready-made chess curriculum, the author shares a mind-expanding journey that takes the reader through imbalance-basics, ensures that every detail of all the imbalances are mastered, and leaves the player/lover of chess with something he always wanted but never believed he could achieve: a master-level positional foundation. Hundreds of games brought to life by instruction-rich prose, and stories that

offer humor while highlighting various lessons, vividly illustrate all the book's topics in a manner that's both personal and fun. Jeremy Silman is an International Master and a world-class teacher, writer, and player who has won the American Open, the National Open, and the U.S. Open.
