Factory Man is about James Harbour and the epic struggle of the U.S. auto industry to catch up to Japan in quality and productivity. James Harbour's story, blunt and accessible, includes a detailed description of how Detroit went astray, beginning right after World War II. The story continues to the present day as he explains why Detroit still hasn't quite caught up and how desperate the situation has become.

Proceedings of the 2nd VAE2018, Miskolc, Hungary John Wiley & Sons

This book, first published in 1987, is about the classic free will problem, construed in terms of the implications of moral responsibility. The principal thesis is that the core issue is metaphysical: can scientific laws postulate objectively necessary connections between an action and its causal antecedents? The author concludes they cannot, and that, therefore, free will and determinism can be reconciled.

The bestselling author of

The Millionaire Next Door reveals easy ways to build real wealth With well over two million of his books sold, and huge praise from many media outlets, Dr. Thomas J. Stanley is a recognized and highly respected authority on how the wealthy act and think. Now, in *Stop Acting Rich ? and Start Living Like a Millionaire*, he details how the less affluent have fallen into the elite luxury brand trap that keeps them from acquiring wealth and details how to get out of it by emulating the working rich as opposed to the super elite. Puts wealth in perspective and shows you how to live rich without spending more Details why we spend lavishly and how to stop this destructive cycle Discusses how being "rich" means more than just big houses and luxury cars A defensive strategy for tough times, *Stop Acting Rich* shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment.
