Crimson Shadow Kensington Publishing Corp.

As the tensions between the two rival werewolf packs increase, Jessie is kidnapped, Pietr changes back into a wolf, and Alexi fights to save his youngest brother's life.

Jinx Harper Collins

High school gets even harder when there's an evil god on the loose in the New York Times bestselling author's YA

urban fantasy novel. My name is Gwen Frost, and I go to Mythos Academy, a school of myths, magic and warrior whiz kids. And now there's also Loki, the evil god I helped set free against my will. On the bright side, I finally got a date with Logan Quinn, the hottest—and deadliest—Spartan at Mythos. But I should have known it was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. I definitely didn't expect to get arrested mid-sip at the local coffee hangout. I'm accused of purposely helping the

Reapers free Loki—and the person leading the charge against me is Linus Quinn, Logan's dad. Now pretty much everyone at school thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself.

“The dashing, sword-wielding heroine saves the day . . . Estep hits us with everything she’s got in the explosive conclusion of the Black Blade trilogy.”—Fresh Fiction As a thief, I’m good at three things: hiding in the shadows, getting in and out unseen, and uncovering secrets. I put these skills to work for the Sinclair Family, one of the magical mobs that run the tourist town of Cloudburst Falls. Everyone knows Victor Draconi wants to take over all the other Families—and kill every last

Sinclair. What they don’t know is that I’m on to him, and no way will I let the man who murdered my mom get away with hurting all the other people I care about. Especially when I’ve got places to break into, stuff to steal, and Devon Sinclair fighting right by my side . . . Praise for the Black Blade series “An adventurous ride you will never want to get off.”—Jennifer L. Armentrout, #1 New York Times bestselling author “The characters are as fantastic as Estep fans have come to expect.”—RT Book Reviews “Jennifer Estep is a genius!”—Simply Nerdy “Packed with action and a nice twist, this is just the book for fans of the Mythos Academy series who want more Jennifer Estep.”—Bristol Herald Courier Midnight Frost Simon and Schuster

The new girl at a school for mythical warriors is out to solve her classmate's murder in the New York Times bestselling author's YA fantasy series debut. My name is Gwen Frost, and I go to Mythos Academy—a school of myths, magic and warrior whiz kids, where even the lowliest geek knows how to chop off somebody's head with a sword. Logan Quinn, the hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. That kinda puts us on the verge of death, destruction and lots of other bad, bad things. Now I'm determined to find

out who killed Jasmine and why – especially since I should have been the one who died.

A Short Story Jennifer Estep

As all the creatures are forced into a battle that will determine who rules Feyland, a bigger force emerges that threatens all. "Midnight Frost" is the pivotal book in the popular series about the beautiful but dangerous world of Feyland and its magical and powerful inhabitants.

A Shadow Falls Novel Jennifer Estep

A high school warrior-in-training gets lessons in surviving a mysterious assassin in the New York Times bestselling author's YA urban fantasy novel. I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to

survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart—the drop-dead gorgeous Spartan Logan Quinn who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. Now, with Logan's help, I'll have to learn to live by the sword—or die trying.

In this, the first book-length study of Cooper's life and work, Diarmuid Hester shows that such comparisons hardly scratch the surface. A lively retrospective appraisal of Cooper's fifty-year career, *Wrong* tracks the emergence of Cooper's singular style

alongside his participation in a number of American subcultural movements like New York School poetry, punk rock, and radical queercore music and zines.

An Elemental Assassin Book Kensington Books

Surviving a Reaper attack at the Library of Antiquities, Gwen Frost, still struggling with the pain of losing Logan, races against time and fights formidable Reaper adversaries to find an antidote to cure a poisoned student.

Out of Control Kensington Teen

'A funny, frantic, utterly refreshing brew' – Sunday Telegraph
Detective Inspector Jack Frost, officially on duty, is nevertheless determined to sneak off to a colleague's leaving party. But first the corpse of a well-known local junkie is found blocking the drain of a Denton

public lavatory - and then the daughter of a wealthy businessman is reported missing. And now a wave of crime threatens to submerge sleepy Denton. A robbery occurs at the town's notorious strip joint, the pampered son of a local MP is suspected of a hit-and-run offence and, to top it all, a multiple rapist is on the loose. But the manic Frost manages to assure his superior that all is under control. Now he has only to convince himself...

Taken at Dusk Kensington Publishing Corp.

The seventh book in the hugely popular Elemental Assassin series by New York Times and USA TODAY bestselling author Jennifer Estep—Gin Blanco is back and ready for action. I used to murder people for money, but lately it's become more

of a survival technique. Once an assassin, always an assassin. So much for being plain old Gin Blanco. With every lowlife in Ashland gunning for me, I don't need another problem, but a new one has come to town anyway. Salina might seem like a sweet Southern belle, but she's really a dangerous enemy whose water elemental magic can go head-to-head with my own Ice and Stone power. Salina also has an intimate history with my lover, Owen Grayson, and now that she's back, she thinks he's hers for the taking. Salina's playing a mysterious game that involves a shady local casino owner with a surprising connection to Owen. But they call me the Spider for a reason. I'm going to untangle her deadly scheme, even if it leaves my love affair hanging by a

thread.

Rivals and Retribution Simon and Schuster

The New York Times bestselling author “deposits the reader back into the wonderful world of Cloudburst Falls, West Virginia where mortals and magicks mix.”—Book Swoon As a thief, I stick to the shadows as much as possible. But when the head of the Sinclair Family picks me to compete in the Tournament of Blades, there’s no escaping the spotlight—or the danger. Even though he’s my competition, Devon Sinclair thinks I have the best shot at winning what’s supposed to be a friendly contest. But when the competitors start having mysterious “accidents,” it looks like someone will do anything to win—no matter who they hurt. As if I didn’t have

enough to worry about, mobster Victor Draconi is plotting against Devon and the rest of my friends, and someone’s going around Cloudburst Falls murdering monsters. One thing’s for sure.

Sometimes, humans can be more monstrous than anything else . . . Praise for *Cold Burn of Magic*, the first Black Blade novel “An adventurous ride you will never want to get off.”—Jennifer L. When her free-spirited mother dies in a tragic accident, sixteen-year-old

Alexandria Lee is forced to leave her West Coast home and move in with a wealthy grandmother she's never known in Savannah, Georgia. By birth, Alex is a rightful if unwilling member of the Magnolia League-Savannah's long-standing debutante society. But white gloves and silk gowns are a far cry from the vintage t-shirts and torn jeans shorts she's used to. Alex is the first in decades to question the Magnolia League's intentions, yet even she becomes entangled in their seductive world. The members enjoy youth, beauty and power...but at what cost? As Alex discovers a pact between the Magnolias and the Buzzards, a legendary hoodoo family, she discovers secrets-some deadly-hidden beneath the glossy Southern veneer. New York Times

bestselling author Katie Crouch's poignant and humorous voice shines in this enchanting and mysterious story about girls growing up in a magical Southern city.

Spartan Promise Kensington Books Fans of Sarah J. Maas and Holly Black won't be able to resist the world of Melissa Marr's #1 New York Times bestselling series, full of faerie intrigue, mortal love, and courtly betrayal. Rule #3: Don't stare at invisible faeries. Aislinn has always seen faeries. Powerful and dangerous, they walk hidden in mortal world. Aislinn fears their cruelty—especially if they learn of her Sight—and wishes she were as blind to their presence as other teens. Rule #2: Don't speak to invisible faeries. Now faeries are stalking her. One of them,

Keenan, who is equal parts terrifying and alluring, is trying to talk to her, asking questions Aislinn is afraid to answer.

Rule #1: Don't ever attract their attention. But it's too late. Keenan is the Summer King who has sought his queen for nine centuries. Without her, summer itself will perish. He is determined that Aislinn will become the Summer Queen at any cost—regardless of her plans or desires. Suddenly none of the rules that have kept Aislinn safe are working anymore, and everything is on the line: her freedom, her best friend Seth, her life—everything.

Follow Gin Blanco, a kick-butt female assassin who moonlights at a BBQ joint in Tennessee, as she searches for the person who double-crossed her in this

heart-pounding and fresh paranormal romance series. After Gin's family was murdered by a Fire elemental when she was thirteen, she lived on the streets and eventually became an assassin to survive. Now, Gin is assigned to rub out an Ashland businessman, but it turns out to be a trap. After Gin's handler is brutally murdered, she teams up with the sexy detective investigating the case to figure out who double-crossed her and why. Only one thing is for sure—Gin has no qualms about killing her way to the top of the conspiracy.

Sweet Legacy Kensington Books

This Spartan makes her own destiny . . . Most kids at the Colorado branch of Mythos Academy know me as Rory Forseti, the daughter of Reaper assassins. Secretly, I'm a member of

Team Midgard, a group of students and adults tasked with stopping Covington, the evil leader of the Reapers of Chaos. For me, the mission is a deeply personal one, since Covington is also the man who murdered my parents. When my friends and I get a lead on a powerful artifact that Covington wants to steal, we think we finally have a chance to thwart the Reapers and stop them for good. Team Midgard comes up with a plan, but everything goes sideways, and I'm suddenly in the fight of my life. My worst fears might have come true, but I know what my Spartan destiny is—to save my friends, or die trying . . .

This World Fantasy Award winner in the vein of *Animal Farm* delves into a lab worthy of a mad Nazi scientist—but run by a brilliantly sadistic rodent. In the annals of American literature, there has never been a character quite like Doctor Rat, PhD. From one of the most indispensable storytellers in speculative fiction, this biting satire introduces a narrator of learned charm and humor, and a twisted logic that is absolutely chilling. Doctor Rat is a credit to his

species. A survivor of the most refined scientific experiments, now removed from the maze, he has become a valued and productive member of the academic community. When he must administer a lethal dose, he comforts his fellow rats with his compassionate slogan: “Death is freedom.” But everything changes when animals worldwide begin to rebel, refusing to accept their proper places in the natural order of things: as test subjects, pets, or food. And only Doctor Rat has the courage to defend mankind from the ungrateful animal kingdom. Hailed by the Los Angeles Times as “dazzlingly original” and “occasionally quite beautiful,” Doctor Rat is a sly and stylish indictment of fanaticism in mice and men. “A truly imaginative impresario . . . [Doctor Rat] teases your conscience

with educated wit and versatile improvisation, not to mention the casual flick of the tail about to be cut off.”

Hunting for the bad guys has never been so dangerous . . . My name is Rory Forseti, and I attend the Colorado branch of Mythos Academy, a school of warrior kids, powerful artifacts, and mythological monsters. I’m a student, a fierce Spartan warrior, and a member of Team Midgard, a group of kids and adults tasked with stopping the evil Reapers of Chaos. There is one Reaper I’m determined to hunt down above all others: Covington, the man who murdered my parents. So when the Midgard gets a tip that Covington is going to try to steal a dangerous artifact, I’m ready to fight.

But the situation is far more complicated than it seems, and the Reapers aren't my only enemies. I'll have to use all my Spartan strength and skills to survive this. And even then, it might be my blood that gets spilled . . .
