Safe Words Life Remotely

Natalia Ross, a shy small-town girl fresh out of college, moves to New York to pursue her dreams as a journalist and lands the job "millions of girls would die for." Hired as the assistant to Scarlett Stone, the high-profile, fabulously successful editor of the fashion blog *Stitch*. Scarlett, as enigmatic as she is rich and powerful, is merciless and demanding of Natalia and the rest of her employees. Even still, Natalia is intrigued by Scarlett's unrelenting ways and the two find themselves in an unconventional physical affair. Through Scarlett's depraved tastes in romance, Natalia experiences a personal awakening that begins to change her life forever and the two fall deeply in love. But their delicate balance of work and play is challenged when Scarlett and Natalia's complicated and dangerous pasts begin to catch up with them. As both lives begin to unravel, Natalia and Scarlett discover that those with the power, aren't always the ones in control.

A Novel Good Press

Late at night, on an amateur ghost hunt, Sabrina and her best friend Q are caught trespassing by the gorgeous, blonde Jude. The embers of attraction between them sizzle when they discover Jude's kinks match their own. Jude is a Dom on his last summer of freedom before starting the prison sentence that is med school. Q is a bad-ass bi switch who knows what she wants, and for years it's been her cute, doe-eyed straight friend Sabrina. But the only way into Sabrina's heart and panties may be with Jude's fist wrapped in her hair. Domming the bratty Q and mischievous Sabrina isn't going to be easy but Jude relishes the challenge. At the end of the summer, will they find a way to stay together when everything is tearing them apart?

A New York Times Notable Book *Kink* is a groundbreaking anthology of literary short fiction exploring love and desire, BDSM, and interests across the sexual spectrum, edited by lauded writers R.O. Kwon and Garth Greenwell, and featuring a roster of all-star contributors including Alexander Chee, Roxane Gay, Carmen Maria Machado, and more. A Most-Anticipated book of 2021 as selected by *Marie Claire*, *O, The Oprah Magazine*, *Cosmopolitan*, *Time*, *The Millions*, *The Advocate*, *Autostraddle*, *Refinery29*, *Shape*, *Town & Country*, *Book Riot*, *Literary Hub*. *Kink* is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection portray love, desire, BDSM, and sexual kinks in all their glory with a bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

 "My safeword," she said hurriedly. "We forgot to discuss my safeword." "This isn't some amateur scene at a BDSM club. There's no negotiation. There is no safeword. You signed that away when you joined The Enclave." Jaime Shepard fantasizes about being bound in chains-her heart, body and soul the possession of a Master who won't hesitate to take what he wants. Unfortunately, exploring dreams of sensual submission has taken a backseat to the daily grind of life, yet she never feels more alive, more vital, more herself than when engaging in a scene at one of the local BDSM clubs. When the sexy, mysterious owner of Asheville's premiere underground BDSM club makes Jaime the offer of a lifetime, she jumps at the chance to experience The Enclave, a secluded community dedicated to the passionate realization of a 24/7 BDSM lifestyle. Against the backdrop of a luxurious mountain resort, Jaime's rigorous, full-immersion indoctrination begins. Erotic discipline and intensive slave training push Jaime to the very limits of her boundaries and force her to reach deep inside to discover the grace and inner strength necessary for true submission. One thing she isn't seeking is love-but it might find her just the same.

Say goodbye to the crippling stress and anxiety that come with

dating in the 2020s with the dating advice all single people need. Have you ever convinced yourself that your crush is definitely not into you because they didn't watch your Instagram story? Have you ever pretended that you didn't want anything serious because you assumed your potential partner didn't want anything serious with you? Have you ever spent hours figuring out the "perfect" response to your date's text? Well Candice Jalili, senior sex and dating writer at *Elite Daily*, has done all of those things and she's here to tell you to stop. Stop giving in to your anxieties and insecurities. Stop replaying and rehashing every interaction. Stop thinking that you're not good enough exactly the way you are. Instead, take a deep breath and just send the text. In today's society, dating can be stressful. And Candice gets it: between social media, dating apps, the hookup culture, and just, you know, the patriarchy—there's no denying it; dating is hard. But there's no reason for dating to transform you into a ball of stress. Laid out in seven easy-to-follow steps, *Just Send the Text* will help you to let go of any dating-related stress and anxiety by accepting that, for the right person, just being yourself is more than enough. The book is filled with helpful tips including: -Don't be afraid to block someone on social media -Embrace dating apps as one of the many ways to meet a potential partner -Stop wasting your time trying to convince someone you're worthy of theirs -Being vulnerable might hurt in the short-term, but it will benefit you in the long-run Featuring first-person interviews with real women, visual aids, and compelling statistics, *Just Send the Text* will give you the courage to put yourself back out there, embrace dating once again, and find a real, authentic kind of love in today's world.

QUOTES FROM READERS: Just read *The Safe Word* by Karen Long – an unputdownable serial tale thriller. James Purefoy For DS Eleanor Raven It's not so much who, what or when but 'why' that leads this powerful read to its conclusion and Karen Long reminds us that a brutal, vicious and destructive act is not inherently 'Evil' or derived from Satan but is a rational choice made by a human being. The quirky, offbeat and endearing relationship between Eleanor and her partner Laurence Whitefoot shines a light on this dark compelling world of sexual intrigue and mystery. My imagination was certainly held captive! Robson Green Most fictional detectives these days have to have a 'thing' to set them

apart from the others, and Raven's is one of the most original for a long time. The plot moves in some unexpected directions, and builds to a genuinely exciting climax. The *Safe Word* is an impressive, confident debut. Convincing characters and some nice twists make for a compelling, satisfying thriller, and I look forward to seeing what's next for Eleanor Raven. *Killing Time* There are rules that every player of every game must abide by, no matter how dangerous the sport. Toronto has become the backdrop to a macabre set of artistic installations: women kidnapped, tortured and horrifically displayed by a killer with a vision. Only someone capable of understanding the killer's creative desire will be able to stop the murders and D I Eleanor Raven is uniquely qualified. Driven by a complex personality she pursues only the facts, only the things she can see, but never casts a judgement. But she also has a dark and dangerous secret - one that will threaten her very survival.

Funny Notebook Sarcastic Humor Journal, Perfect Valentine's Day Gag Gift for Men and Women Doing Naughty Stuff Createspace Independent Publishing Platform From the author of *Carrie's Story* comes the continuing tale of a young woman's uncompromising sexual adventure. Carrie leaves Jonathan, the S/M master who initiated her into a life of slave auctions, training regimes, and human "ponies" preening for dressage competitions. Whisked away to Greece by the demanding gentleman who has chosen her as his own, she learns new, more rigorous methods of sexual pleasure.

Work Hard, Play Hard with Safe Words! Infinity Publishing Everywhere Detective Gavin DeGrassi looks he's reminded of his attack by the Breath Play Killer. It's in the house he lives in with his partner and Dom, Ben Haverson. It's in the sympathetic yet pitying looks he receives from his fellow detectives when he returns to the force after a year-long hiatus. It's in the suffocating coddling of his entire family, and the relentless reporter demanding an exclusive of his ordeal. Most of all, it's in his lack of submission to Ben, who isn't convinced Gavin's recovered enough to trust the power exchange between them. The miraculous recovery of two teen boys from a twisted kidnapper gives him heart, and Gavin's determined to prove he can handle anything despite increasing strain between him and Ben, painful

nightmares, and panic when anyone touches him. But his next case is too close for comfort: a friend and colleague found raped and murdered in a fate chillingly similar to what could have been his own, and this killer isn't stopping with one cop. As the body count rises and taunting souvenirs are being hand-delivered to Gavin, he faces a frustrating lack of leads, a crushing need to prove himself, and a sinking suspicion the imprisoned kidnapper's reach is further than originally thought. A miasma of uncertainty and fear threaten to suffocate him when he asks a question with which he's overwhelmingly familiar: what happens when a victim is pushed too far?

YES, JUSTIN After fifteen years and two kids, the romance has fled from Trish's marriage. She's a different woman now, and she wants different things. When she stumbles upon an emailed ad from Oasis, an adult fantasy fulfillment service, she seizes the opportunity to spend a weekend having her body and soul mastered by a man who is completely focused on her. Justin is shocked when he finds out his wife is planning to cheat on him. Willing to do anything to keep the woman he loves, he arranges with Oasis to become the Dom she wants. He'll carry out her kidnap fantasy, fulfill her desire to be dominated, and force her to confront the reasons she wanted to be there in the first place. BY MY SIDE Marcella Abbot has worked for Sean Winquist for more than a year. As his personal assistant, she manages nearly every aspect of his life. He's a Dom and she's a submissive. Through their year working together, they've become friends and colleagues, but Marcella yearns for more. She's in love with Sean, and she's frustrated that he can't see past her efficient exterior. When Sean's submissive for a BDSM benefit show cancels unexpectedly two days before the event, Marcella jumps at the chance to take her place. Sean wants Marcella, but he's afraid to let the walls of professionalism come tumbling down and risk losing her. OUT OF MY LEAGUE The reconstructive surgery that gave Mia the confidence to ask Oasis for a fantasy involving someone who resembles Kaelen didn't erase her insecurities, but she's hoping it will start healing the emotional scars she's carried for far too long. Whenever he's around the breathtaking teaching assistant, Kaelen can't seem to keep from sticking his foot in his mouth. He'll do anything to show her that he's so much more than the incompetent graduate student he always appears to be. When the two of them show up at the designated spot, they're both shocked to discover that Oasis granted the wish neither had the courage to make. After a mind-blowing day together, neither can find the courage to ask for more. They part ways only to end up assigned to the same room at a Caribbean resort. Will the sultry atmosphere help them both make their deepest wishes come true? "Publisher's Note: This book contains explicit sexual situations, graphic language, and material that some readers may find objectionable: anal play/intercourse, BDSM theme and elements, spanking."

The Light Shines in Darkness Independently Published Carrie's tale of uncompromising sexual adventure is like the *Story of O* starring a Berkeley Ph.D. in comparative lit (who moonlights as a bike messenger) with a penchant for irony, self-analysis and anal sex.
