Building Critical Skills Business Ethics NowISE Business Ethics NowBusiness CommunicationBuilding Critical SkillsThis work presents a unique approach to a hands-on business communication course. The modular structure allows teachers to focus on specific skills and provides greater flexibility for short courses and different teaching approaches.Business EthicsA Real World ApproachThis book provides assistance to employees by taking a journey through the challenging world of business ethics at the ground level of the organization rather than flying

through the abstract concepts and philosophical arguments at the treetop level. By examining issues and scenarios that relate directly to their work environment (and their degree of autonomy in that environment), employees can develop a clearer sense of how their corporate code of ethics relates to operational decisions made on a daily basis.
