Marriage: To Claim His Twins

Harlequin
The Wealthy Greek's Contract Wife
Ilios Manos wasn't interested in Elizabeth

Wareham's sob story. So what if she was broke and had nowhere to stay? He wanted his money back and his revenge, and he would exact his price from her however it suited him.... But when Ilios looked closely, he sensed Lizzie's innocence and knew he couldn't take that from her lightly. So he chose the next best thing -- he was a man in need of a wife. He would show her mercy...and she would

take his name! The Italian Duke's Virgin Mistress Charley would do anything to keep her wages coming in and support her impoverished sisters and nephews -- even if that meant working in Italy for the demanding and commanding Duke Raphael Della Striozzi. Raphael couldn't understand why a woman like Charley dressed in dime-store clothes. It was going to be straight off to

a designer boutique for her! But it was in Raphael's bedroom that Charlotte's complete transformation took place -- from shy, dowdy virgin to confident, beautiful...mistress!
 Marriage: To Claim His Twins
 Alexander Konstantinako s has discovered that one passionate night in England had its consequences : two, to be precise. Out of the blue he's turned up on Ruby

Wareham's doorstep -- to take his twin sons back to Greece!
 Ruby's shocked that she's still so attracted to dark, sexy and powerful Alexander. She's afraid she might lose her beautiful boys, whom she's struggled to bring up on her own, but maybe there's a solution. Can she wed Sander -- a virtual stranger -- and live as his wife, and in his bed?
Twins: Twin Heirs: The Sheikh's

Secret Babies (Bound by Gold) / Marriage: To Claim His Twins / Pregnant with His Royal Twins Mills & Boon
 Do twins begin in the womb? Or in a better place? Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district-court judge father and a politician mother, they are an all-American family -- on the surface. Behind the facade each sister has her own dark

secret, and that's where their differences begin. For Kaeleigh, she's the misplaced focus of Daddy's love, intended for a mother whose presence on the campaign trail means absence at home. All that Raeanne sees is Daddy playing a game of favorites -- and she is losing. If she has to lose, she will do it on her own terms, so she chooses drugs, alcohol, and sex. Secrets like

the ones the twins are harboring are not meant to be kept -- from each other or anyone else. Pretty soon it's obvious that neither sister can handle it alone, and one sister must step up to save the other, but the question is -- who?

"Cue greed, lust, secrets, and serious suspense. Count us in."—theSkim

m "An insanely plotted book...riveting."—The New York Times Book Review
Written with the chilling, twisty suspense of *The Wife Between Us* and *Something in the Water*, a seductive thriller about identical twins, greed, lust, secrets, and deadly lies. Twin sisters Iris and Summer are startlingly alike, but beyond what the eye can see lies a darkness that sets them

apart. Cynical and insecure, Iris has long been envious of Summer's seemingly never-ending good fortune. When Summer calls Iris to Thailand to help her sail the family yacht to the Seychelles, Iris has secret hopes for what might happen on the journey. But after a disturbing incident in the middle of the Indian Ocean, everything changes. Now Iris has the chance to step into the golden life she's always

envied—and get one step closer to the hundred-million-dollar inheritance left by her manipulative father. All Iris would need to do is ensure she's the first of his seven children to fulfill the strange conditions of his will. But Iris soon discovers that her twin was keeping more than one secret, and Iris's life lurches between glamorous dream and paranoid nightmare. In a family in

which the winner takes all, whom can she trust? And how far will she go to get the life she's always dreamed about? "Ferociously entertaining. A novel like a triathlon: part evil-twin thriller, part howdunit (or did-she-do-it?), part juicy family drama. Drop Knives Out and Double Indemnity into the blender, shake some Dead Calm over the froth, power it on, and you've got a cocktail like The Girl in

the
Mirror—fresh,
flavorful, and
utterly
intoxicating."
