The transition
from President
Donald J.
Trump to
President
Joseph R.

Biden Jr.
stands as one
of the most
dangerous
periods in
American
history. But as
1
internationally
bestselling
author Bob
Woodward
and acclaimed
reporter

Robert Costa
reveal for the
first time, it
was far more
than just a
domestic
political crisis.
Woodward
and Costa
interviewed
more than 200
people at the
center of the
turmoil,

resulting in more than 6,000 pages of transcripts—a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-

before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden’s presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while

navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. “We have much to do in this winter of peril,” Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of

another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with *Fear and Rage*. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days. *The Night is for Hunting*
Spectra

Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women. **An Operation: Crossroads Novel** Simon and Schuster While trying to care for a group of abandoned young children, five Australian teenagers continue their

struggle for survival and their resistance against the enemy invading their homeland. *Lights On, Rats Out* Amagi Sporadic news reports indicate chaos and violence spreading through US cities. An unknown evil is sweeping the planet. The dead are rising to claim the earth as the new dominant species in the food chain. *Day by Day Armageddon* and its sequel *Beyond*

Exileare the handwritten journals of one desperate survivor as he battles in the face of global disaster.

Zombie fiction at its finest, these books will take you to a whole new level of terror.

A Sniper Elite Novel Open Road Media How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967,

Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha

Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winnin g journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At

WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system.

A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell

Kertzman. Lichtenstein's documentary WBCN and the American Revolution is available as a DVD sold separately. A Novel Tomorrow War: The Chronicles of Max [Redacted] "The Land of Tomorrow" by William B. Stephenson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to

forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Children of Time Simon and Schuster

A riveting, ultra-realistic example of “dystopian fiction at its best” (Brad Thor, #1 New York Times bestselling author) from the acclaimed author of the Day By Day Armageddon novels! During an unacknowledged mission inside the Syrian border, a government operative had unwittingly triggered an incredible worldwide event that irrevocably shaped the future of the United States. In the

aftermath of the crisis, families have struggled to survive in a world short on food, water, and electricity. Hyperinflation cripples the United States economy and post-war armored military vehicles are patrolling the streets. One man has now stepped forward and continues to push back the dark wave of tyranny brought on by martial law in the streets of America, and may be the only hope of

saving liberty for the country's future.

Circle of Flight: The Ellie Chronicles 3

Simon and Schuster
A miniatures wargame of gritty futuristic combat, Tomorrow's War projects the tactics and technology of today's military conflicts hundred's of years into the future. While robot drones, anti-gravity vehicles, and advanced battle-suit technology

have changed the face of warfare, the essentials of combined-arms tactics have remained constant. Using the popular Force on Force rules as a basis, Ambush Alley Games has created the most realistic and tactically challenging science fiction wargame on the market. The rulebook includes a detailed optional 'future history' and a campaign system so that individual battles can be

linked into an ongoing storyline. Next Time They'll Come to Count the Dead Open Road Distribution In a land brought to life by warriors and lovers, war and honor, the legendary tower Tornor Keep is invaded by raiders. No longer the watchtower at the winter end of a summer land, Tornor turns to a young prince with the hopes that he might protect the future of the enchanting

land.

We were
halfway up the
spur when we
heard it.
Homer and
Gavin and I,
just the three
of us... I'd say
there were
fifteen shots
in the first
volley, evenly
spaced,
lasting about
twenty-five
seconds... All
the way down
the spur I'd
heard the
scattered
shots, getting
closer as I got
closer, and all
the way down
I tried to think
of reasonable
explanations
for them, and I
couldn't think
of a single
thing that
made sense.
The town of
Wirrawee is
emerging
from war,
slowly, like a
flower after a
cold snap.
Businesses
are starting to
reopen, the
school has re-
commenced
classes, and
local farmers
are gradually
repossessing
their land. But
it's not the
same
Australia as
before the
war. A new
nation exists
just a few
miles away, a
new border
that separates
Australia from
its invaders.
Or does it? For
Ellie Linton,
being back on
the farm with
her parents is
what makes
the terrible
things that
happened
during the war
- the things
she, Homer,
Lee, Fi and the
others had to
do - all

worthwhile. It's where she belongs. But the war won't let her go. A devastating tragedy has shattered any hope she ever had to reclaim her life, or herself. It's a new kind of fight. And the enemy isn't always from the other side of the border. Fans of Veronica Roth, Suzanne Collins and John Flanagan will love John Marsden. *My Search for the Soul of Business* Scholastic Paperbacks May 16th. 1201 hrs. We

are now under siege. Beyond the silo access doors, we have a small army of beaten and battered undead to contend with. They only want one thing... Day by Day Armageddon is the handwritten journal of one man and his struggle for survival. Trapped in the midst of global disaster, he must make decisions that could mean life, or which could condemn him eternally to walk as one of

them. Enter, if you dare, into his world. The world of the undead.

Grove Press
In a terrifying new world, four girls must depend on one another if they want to survive. Disaster and destruction are all thirteen-year-old Louisa has ever known. But now she and her best friend Maddie, are among the lucky few being sent to boarding school, far from home. Finally, a taste of freedom! Country Manor

School isn't perfect: The girls' roommates are tough to get along with, and the school is hard work. Still, Louisa loves CMS--the survival skills classes, the fresh air. She doesn't even miss not having TV, or the Internet, or any contact with home. It's for their own safety, after all. Or is it?

A Memoir
Macmillan
What do you do when your marriage is so unhappy that you begin to fantasize about your

husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to

second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance,

including a "10-Step Marital Improvement Guide."

Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

The entire Enemy Mine series gathered in one volume: The Talman, Enemy Mine (The expanded Nebula and Hugo Award winner that inspired the 20th Century

Fox motion picture starring Dennis Quaid and Lou Gossett, Jr.), the novels *The Tomorrow Testament* and *The Last Enemy*, plus more. Talma is the path of choosing paths. The *Enemy Papers* is the saga of how humans and their enemies used Talma to end war.

Beyond Exile: Day by Day Armageddon Simon and Schuster Ellie and her friends, a small band of teenagers

trying to survive in the Australian countryside, continue to resist the enemies who have invaded their country. Reprint.

Day by Day Armageddon: Shattered Hourglass Simon and Schuster John Perry did two things on his 75th birthday. First he visited his wife's grave. Then he joined the army. The good news is that humanity finally made it into interstellar space. The bad news is that planets fit

to live on are scarce-and aliens willing to fight for them are common. The universe, it turns out, is a hostile place. So: we fight. To defend Earth (a target for our new enemies, should we let them get close enough) and to stake our own claim to planetary real estate. Far from Earth, the war has gone on for decades: brutal, bloody, unyielding. Earth itself is a backwater. The bulk of humanity's resources are

in the hands of the Colonial Defense Force, which shields the home planet from too much knowledge of the situation. What's known to everybody is that when you reach retirement age, you can join the CDF. They don't want young people; they want people who carry the knowledge and skills of decades of living. You'll be taken off Earth and never allowed to return. You'll serve your time at the front. And

if you survive, you'll be given a generous homestead stake of your own, on one of our hard-won colony planets. John Perry is taking that deal. He has only the vaguest idea what to expect. Because the actual fight, light-years from home, is far, far harder than he can imagine-and what he will become is far stranger.  The acclaimed in this fourth reputation as

“the new king of hardcore zombie action” (Brad Thor, author of Act of War). Tomorrow’s War (Science Fiction Wargaming Rules) Hachette UK “[A] vivid, gripping account of inhuman cruelty, laced with rays of hope and courage and dignity amidst the horrors” (Noam Chomsky, leading public intellectual and author of Hopes and Prospects). A dramatic true story of men and women

trapped in the grip of war, Next Time They’ll Come to Count the Dead is modern crisis reporting at its best. For six weeks in the spring of 2015, award-winning journalist Nick Turse traveled on foot, as well as by car, SUV, and helicopter, around war-torn South Sudan, talking to military officers and child soldiers, United Nations officials and humanitarian workers, civil servants, civil society activists, and

internally displaced persons—people whose lives had been blown apart by a ceaseless conflict there. In a fast-paced and emotionally powerful fashion, Turse reveals the harsh reality of modern warfare in the developing world and the ways people manage to survive the unimaginable. Next Time They’ll Come to Count the Dead isn’t about combat. It’s about the human condition, about ordinary

people thrust into extraordinary circumstances, and about death, life, and the crimes of war in the newest nation on earth. "The average journalist follows the herd of others. A bold one like Nick Turse goes to where the herd isn't. His searing reporting in this book brings alive the suffering of a country that the United States, midwife to its birth, has largely forgotten."
—Adam

Hochschild, author of *King Leopold's Ghost* and *Mirror at Midnight* [The Daughters of Kobani](#) Simon and Schuster You won't see segments about it on the nightly news or read about it on the front page of America's newspapers, but the Pentagon is fighting a new shadow war in Africa, helping to destabilize whole countries and preparing the ground for future blowback. Behind closed

doors, U.S. officers now claim that "Africa is the battlefield of tomorrow, today." In *Tomorrow's Battlefield*, award-winning journalist and bestselling author Nick Turse exposes the shocking true story of the U.S. military's spreading secret wars in Africa. *Tomorrow War: Serpent Road* Macmillan I was thirteen years old when I originally thought of the story, and have written

and rewritten it more times than I can count. But six years ago, I met my wife a Filipina from Manila, and there I discovered the wonderful and gracious people of the Philippines. After realizing I would have children of mixed racial birth. I decided I wanted to give them a hero to look up to from their own culture. I then re-did all nine books; this time the racial, religious and cultural

differences gave the book a more defined nature, one of which I was proud. I had given up long ago on trying to get an agent or a publisher to take interest in my book, but that was never my goal. My goal was to give my children a hero of their own heritage, and to inspire them. Win or lose, they win. The Year is 2079 and the earth has recently been discovered by a ruthless alien race known as the

T-Challa. Their plan is to enslave the population and to strip the earth of all its resources to maintain and expand their vast empire. However the earth is not without hope, another alien race called the X'ena's have sent a symbiotic probe to earth to help defend her from the T-Challa. The Probe which takes the name Paladin merges with a human named Caleb Ocode as well as an ancient battleship

<p>from a century ago and transforms both into a force to protect the earth. Caleb then man's his ship with the best the earth has to offer as they go out and defend the earth successfully defeating the small fleet sent by the T-Challa.</p>	<p>Unfortunately the ship suffers damage and it affects Caleb wounding him, it is quickly discovered that Caleb is dying and with him the mighty ship named Paladin, the only defense of earth. After searching all possible answers to save himself</p>	<p>and protect the earth, Caleb decides to find the X'ena to see if they can cure him before his death, but time is short and the single ship must travel through the heart of the T-Challa Empire to find the X'ena and save Caleb. Will they succeed?</p>
