The Cutting Season By Attica
A magnificent, sweeping story of the south, *The Cutting Season* brings history face-to-face with modern America. Attica Locke once again provides an unblinking commentary on politics,

race, the law, family and love, all within a thriller every bit as gripping and tragic as her first novel, *Black Water Rising*.

From Attica Locke, a writer and producer of FOX's *Empire*:
- *The Cutting Season* is a rare murder mystery with heft, a historical novel that thrills, a page-turner that makes you think.

Verified Purchase. Attica Locke's *The Cutting Season* is a gripping novel. I personally loved it because it was everything I love in a mystery—a Southern setting (a plantation,) a diversity of characters (the main character is an African-American woman, plus there are plenty of whites, "villains" and otherwise.)
